ABOUT ME

If you're looking for a partner who brings technical expertise and an innovative vision, you've come to the right place.

By working together, we can ensure the success of your projects. Don't miss the chance to collaborate with a professional who aims to make a difference!

EXPERIENCE

Lead Web Developer

Mobiversal Co.

July 2024- September 2024

During my internship at Mobiversal in Oradea, I led the front-end team in developing a high-performance web application with React.

My role involved team coordination, front-end development, mentorship, and collaboration with back-end team.

Junior C Embedded Developer

Forvia Hella Co.

April 2024- May 2024

I participated in a workshop where I developed software applications for embedded systems.

This experience sharpened my skills in testing, modeling and simulation, enabling me to create impactful solutions.
