EXPERIENCE

FRONTEND DEVELOPER INTERN

Mobiversal

July 2024- August 2024

- During my internship at Mobiversal in Oradea, I had the opportunity to coordinate the front-end team of interns while we developed a high-performance web application for financial market analysis.
- In this role, I acted as a bridge, passing information from our main team leader to the team members, which helped us communicate effectively and work together smoothly throughout the project.

C EMBEDDED INTERN

Forvia Hella

April 2024- May 2024

- I participated in a workshop where I learned how to test software applications for embedded systems.
